Experienced/Higher Level - Family Support Worker

Job Details	
<b>Grade</b>	C
<b>Department</b>	Children in Care – Corporate Parenting Families Together Team City Wide.
<b>Reporting to</b>	Team Manager

Who Are We?

We are Birmingham Children's Trust.

'Working Together to make Birmingham the greatest city to grow up in.'

The sole purpose of Birmingham Children's Trust is to make a positive difference for children, young people and families in the city, by driving up the quality of practice and partnerships across the city and its services.

Every employee from Family Support and Social Workers to Finance and Legal, work together to make a positive difference to children, young people and families. We are one team, and each have an important role to play in achieving the Trust's objectives.

Birmingham Children's Trust Leadership team comprises of six Executive Directors who are responsible for leading and managing the Trust to be an autonomous and high performing organisation.

**Our Vision:**

Our vision is to build a Trust that provides excellent social work and family support for and with the city's most vulnerable children, young people and families.

We will do this:

- with compassion and with care.
- through positive relationships, building on strengths.
- in collaboration with children, young people, families and partners.
- by listening, involving and including.
- in ways that are efficient and deliver value for money.

Success will mean significant progress towards these outcomes:

- healthy, happy, resilient children living in families.
- families able to make positive changes.
- children able to attend, learn and achieve at school.
- young people ready for and contributing to adult life.

- children and young people safe from harm. **Our Values:**

ONE TEAM  
ACCOUNTABILITY AND RESPONSIBILITY  
QUALITY AND INNOVATION  
RELATIONSHIPS  
HIGH SUPPORT HIGH CHALLENGE

## Key Responsibilities

Using professional knowledge and skills to work in partnership with other practitioner/professionals, children, young people and their families; using varied assessment and interventions tools and processes to identify and deliver elements of the multi-agency plan.

To work within a multi-disciplinary integrated family support and safeguarding service to provide a timely response to the needs of children, young people and their families; acting in accordance with local policies, procedures and priorities with a focus on network cohesion and addressing the determinants of family instability and dysfunction.

Establish a high standard of practice in the delivery a family support service that provides a timely response to children, young people and their families and achieves family outcomes. To achieve good outcomes for children and families through coordination and delivery of early help work across Family Support/Think Family.

To deliver evidenced based interventions to positively effect change that safeguard and promotes the welfare of children and young people. To act as a champion in a specific practice area (e.g. domestic violence, substance misuse, disability, trauma, parenting etc) on behalf of the team/service delivering workshops and providing advice and support where relevant.

- In accordance with policies and procedures provide a timely response to the identified needs of children and young people
- To act as a co-worker in an allocated case load of Children and Families.
- Under the direction of a Practice Supervisor/Team Manager/Senior Practitioner, promote and use a common assessment to identify the needs children, young people and their family and lead the development of an effective multi-agency support plan.
- To be responsible for a high standard of case recording that is up to date; including use of a database.
- To participate in and deliver training and initiatives in a specialist/champion area, ensuring both yourself and the team's knowledge is kept up to date.
- Within a context of persistent outreach effectively engage with children, young people and their families and actively promote their participation in assessments and support plans. Observing family time as part of the intervention process.

- To developing effective multi-agency partnership working with key agencies to support children and families with identified additional needs make positive changes.

To be accountable for maintaining and improving practice and performance in line with professional developmental targets as agreed with line manager through supervision.

- To provide a consistently high standard of practice and customer care.
- To manage and prioritise a complex caseload, ensuring appropriate escalation to line manager where necessary.
- To convene, organise and chair case planning and review meetings, including acting as lead professional under a multi agency Integrated Support Plan where appropriate.
- To attend case conference meetings sharing information and with safeguarding colleagues and partners
- To complete Intervention programmes and develop findings that can be shared with the Family Court, and for reports to be recognised / accepted in line with professional standards and timescales.
- To actively participate in the regular collection and collation of appropriate performance management information which meets the needs of the service, including positive engagement in audit processes.
- To positively contribute within regular supervision, Appraisal Reviews, team meetings and service review / development meeting as required.

- Promote and use evidence based practice when working with children and families, for example family learning tools, graded care profile and other assessment tools, parenting programmes etc.
- To work outside normal office hours when required.
- To promote equality of opportunity, diversity and inclusion in the service area.
- Actively promote the welfare and uphold the safeguarding of children and young people.
