

Job Description

Project Manager

Job Details	
Grade	5
Department	Business Support
Reporting to	Property Programme Manager

Who Are We?

We are Birmingham Children's Trust.

'Working Together to make Birmingham the greatest city to grow up in.'

The sole purpose of Birmingham Children's Trust is to make a positive difference for children, young people and families in the city, by driving up the quality of practice and partnerships across the city and its services.

Every employee from Family Support and Social Workers to Finance and Legal, work together to make a positive difference to children, young people and families. We are one team, and each have an important role to play in achieving the Trusts objectives.

Birmingham Children's Trust Leadership team comprises of six Executive Directors who are responsible for leading and managing the Trust to be an autonomous and high performing organisation.

Our Vision:

Our vision is to build a Trust that provides excellent social work and family support for and with the city's most vulnerable children, young people and families.

We will do this:

- with compassion and with care.
- through positive relationships, building on strengths.
- in collaboration with children, young people, families and partners.
- by listening, involving and including.
- in ways that are efficient and deliver value for money.

Success will mean significant progress towards these outcomes:

- healthy, happy, resilient children living in families.
- families able to make positive changes.
- children able to attend, learn and achieve at school.
- young people ready for and contributing to adult life.

- children and young people safe from harm.

Our Values:

ONE TEAM

ACCOUNTABILITY AND RESPONSIBILITY

QUALITY AND INNOVATION

RELATIONSHIPS

HIGH SUPPORT HIGH CHALLENGE

Key Responsibilities

- To manage high complex/high risk projects as part of major change programmes across the Trust and its partners, using appropriate industry methodology, in order to deliver future sustainable solutions, deliver and assure anticipated benefits, improve outcomes, or make efficiencies, addressing complex challenges in process, technology and people
- To be responsible for the delivery of high quality, customer focused project management, delivering to time, cost and quality through effective and clear planning, strong governance and reporting, and proactive risk, issue and dependency management
- Responsible for leading the delivery and implementation of high value projects or business improvement activity, ensuring each project is structured appropriately, managed, coordinated and completed on time, within budget, to the appropriate quality, and in accordance with the customer's requirements and expectations.
- To be the lead on advising, assuring and clear scoping of projects purpose and benefits, strong structure and governance, well-defined roles and responsibilities, key milestones and deliverables showing clear critical path to end state, complete resources requirements, and initial risks, issues and dependencies
- Identify, formulate and organise the relevant governance processes for each project, in line with Business Improvement framework where applicable, ensuring the right Leads and SME's are engaged and involved, and hold key stakeholders to account. Provide project reporting on allocated projects at agreed intervals, including progress against plan, benefits being realised, costs monitored, any issues, risks and dependencies, requesting approval for variations to the project.
- Undertake stakeholder analysis workshops with key leads to inform effective communication planning with wider stakeholders, ensuring on-going right engagement at the right time, with the right people in the right way, to galvanise positivity, confidence and momentum to the project, resulting in sustainable change past the project lifecycle.
- Undertake resource planning as part of the development of the project plan alongside, and in collaboration with, subject matters experts, leading on internal resource requests to Sponsor or

Business Lead, or coordinating the procurement of external resources in accordance with the Trust's Standing Orders and approved procedures.	
<ul style="list-style-type: none">Facilitate and manage multi-disciplinary project teams with front line Business, HR, Finance, Legal, Property, IT, Procurement, Comms etc. to ensure implementation of Business Cases and new solutions/designs utilise and collaborate with Subject Matter Experts available to plan timescales and resources effectively, and identify and manage risks and issues to avoid show-stoppers	
<ul style="list-style-type: none">To identify, collate, escalate, mitigate, track and record all risks, issues, and interdependencies identified as part of the project and advise Sponsor, Business Lead and project governance to determine owners and progress to manage and mitigate to ensure successful delivery.	
<ul style="list-style-type: none">Contribute and support the Property Programme Manager, to planning methods for sustainable implementation of new solution, design or improvement, including transition from current ways of working to new ways of working as part of the Business Case, e.g. planning pilots, user testing; and communication planning to raise awareness, understanding, buy in and commitment.	
<ul style="list-style-type: none">To be responsible for keeping and the Trusts Executive, Directors and Assistant Directors, and any external bodies/boards advised of updated information or issues pertaining to programme implementation by preparing reports for senior and political meetings as required.	
<ul style="list-style-type: none">Understand and support the continuing development of an organisational culture which is customer focused, performance driven and committed to continuous improvement and which assists in the development and operational delivery of the services provided by Birmingham Children's Trust	
<ul style="list-style-type: none">Undertake process mapping or data analysis where required to inform key decisions or ensure project progress.	
<ul style="list-style-type: none">To deputise for the Property Programme Manager for programme and project matters as required from time to time in internal or external meetings	
<ul style="list-style-type: none">Undertake other duties that are commensurate with the nature and grade of the post as directed by the Property Programme Manager, for example process mapping and some business analysis activities	
<ul style="list-style-type: none">Adhering to and implementing the Trust's policies and procedures, including those around equalities and diversity
